Today's Readings

First Reading — The Lord never forgets the sins of those who take advantage of the poor. (Amos 8:4-7)

Psalm — Praise the Lord who lifts up the poor. (Psalm 113)

Second Reading — God our savior wills everyone to be saved. (1 Timothy 2:1-8)

Gospel — The one who is trustworthy in small matters is also trustworthy in great ones. (Luke 16:1-13 [10-13])

GOD IS ON THE SIDE OF THE POOR

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, members of the Jewish and Christian communities, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated and as confusing as our own.
