OCTOBER IS THE MONTH OF THE ROSARY

This Wednesday, October 7th, is the Memorial of Our Lady of the Rosary. It was on that date in 1573 that word of a naval victory by a Christian armada over a Turkish armada near Lepanto, Italy, reached Rome. Because the victory was attributed to the praying of the rosary, the memorial was established.

For many centuries, the Book of Psalms was divided into 150 individual psalms. Monastic communities prayed all the psalms over a four-week rotation. Because books were rare and expensive, the practice of the laity praying 150 Our Fathers or, later, 150 Hail Mary's was begun. The Dominicans in the 16th Century were influential in formulating the rosary as we know it today, assigning 15 "mysteries" from the life of Christ to the praying of the 150 Hail Mary's. Pope St. John Paul II added 5 "Mysteries of Light" in 2002.

Pope Pius XII referred to the rosary as, "a compendium of the Gospel." The mysteries are opportunities to meditate on the birth, life, death, and resurrection of Jesus Christ. Repeating prayers is meant to keep our minds from being distracted as we contemplate the life of Christ. The Hail Mary's remind us that the Blessed Mother is praying with us as we focus our attention on her Son.

Because of this week's liturgical observance, the entire month of October has been designated by the Church as "The Month of the Rosary." May was designated as "The Month of Mary" at a time when the Memorial of the Queenship of Mary was celebrated during that month. This is probably when the tradition of the "May Crowning" began. This month is an excellent opportunity to begin or renew our devotion to the Blessed Mother through the praying of the rosary.
