### **Finance Council**-Fr. Bill

-Met March 16<sup>th</sup>. They went over the reports. Capitol Exp show the value of the former Rectory and the depreciated value of the current Rectory. The restricted nonoperating fund is the building fund and it is showing a large amount because we have not paid for the Bell Tower yet. Unrestricted is weekly donations. Restricted funds are the Social Concerns funds. Other income and receipts are the proceeds from the sale of the Rectory and the proceeds from Betty and Yolie's estate. Misc funds includes the money collected for the Columbarium.
